

## Burglars Active; 12 Break-ins Reported

Five Local Businesses Entered On Weekend; Man Reports Robbery

Five Quad-City business establishments were entered in break-ins during a weekend which saw a total of 12 burglaries or attempted thefts reported.

Only one major theft was noted by local or county authorities, but a \$485 robbery was reported. A burglar was seen making a hasty exit from one store, but escaped.

Fifty boxes of clothing, weighing 20 pounds each, were stolen from the Madison Aluminum Foundry, 1800 Bond Street, over the weekend. Granite City police reported that entry was made through an unlocked east window.

Ray Pless, owner of the foundry, told the Press-Scout today that the 50 boxes were valued between \$500 and \$600. Authorities are investigating the theft, discovered today.

**Burglar Seen Leaving Store**  
Granite City police patrolling Pontoon road at 1:30 p.m. Friday noticed an unidentified youth—an apparent burglar—leaving the rear of the Maryland Mart at 2201 Pontoon road. The officers gave pursuit but were unable to capture him.

Frank Champion, owner of the store, was called by the police to determine if anything was taken, and reported that \$104 in silver was taken from a money changer at the front cash register. Entrance was made by breaking the glass in a side window.

**\$185 Robbery Reported**  
Five men robbed an East Champaign man of \$185 late Friday in the vicinity of Eagle Park Acres, the victim, Arthur Hart, told county authorities. Hart said they also took his station wagon, and deputies later found it in Eagle Park.

He said the money was in a brown billfold and had been in "the bill." An employee of the La Cade Steel Co. he apparently was unharmed.

**Trinkets Taken From Window**  
Rising collapse of a large plate glass window at the City Pawn Shop, 209 Madison avenue, Madison, early Sunday, a thief reached into a display window and obtained a watch, a key chain and a necklace made from three silver dollars.

The window was cracked and broken at the bottom, being held together by a wooden clamp. The thief loosened the clamp and pulled down a section of the cracked window, holding it open sufficiently to reach inside. The loss was reported to the police yesterday by Milford Masters, manager.

**Lumber Co. Break-In**  
A break-in at the Tri-City Lumber Co., 4300 Nameoki road, was reported to county authorities early Friday but an employee was unable to find anything missing in an early check. Entrance was through a south window.

A burglar pulled hinges off a door to gain entry to a semi-detached tool storage shed at the rear of 1848 Market street, Madison, Friday night. Items in the shed were not disturbed, and a (Continued on Page 19, Col. 1)

## Start Of Distance Telephone Dialing Set For Oct. 15

Southwestern Bell Telephone Co. announced today that Quad-City telephone customers will receive the new direct distance dialing service on Oct. 15.

George Mauze, telephone company manager here, said that with direct distance dialing, subscribers will be able to dial more than 30 million telephones throughout the United States and Canada from their own homes and offices as easily as they call across the street.

The new DDD system eliminates a \$319,000 telephone improvement program for Quad-City residents.

To make direct distance dialing work, the U. S. and Canada have been divided into 119 dialing code areas with each area assigned a three-digit code number. For example, to call Dallas, Tex., Riverside 7-5311, the customer simply dials 214, the area code for Dallas, and then RT 7-5311. The connection is made in seconds.

**Also Dial Nearby Cities**  
The new system, Mauze said, also permits customers to dial directly to such nearby points as Alton, Wood River and Edwardsville. Those cities and all others listed in the Illinois and St. Louis directories will be reached by dialing the two letters and five figures of the telephone number.

The manager pointed out that there will be no change in telephone rates with the introduction of the new DDD system.

Booklets explaining the new service and how it works will be sent to subscribers in advance of the Oct. 15 introduction date.

**Injuries In 5 Area Accidents**  
A Belleville man was admitted to Jewish Hospital, St. Louis, early Friday after his car veered off a road and struck a tree on Illinois Route Three a mile north of Bypass 86.

Lionel Thonhoff, 61, was taken first to St. Elizabeth Hospital, where personnel described his injuries as minor to the left arm and leg and chest contusions. State troopers covered the accident, which occurred at 1:15 a.m.

**Girl, 5, Injured By Car**  
Roma Lynn Fowler, five, daughter of Mrs. J. Edgar Fowler, 2408 Terminal avenue, was struck and injured by an eastbound truck from her home at 3:55 p.m. Friday. The car was driven by Mrs. J. Edgar Fowler, 28, of 2424 Terminal avenue, who was charged with driving without a license.

The girl was taken to St. Elizabeth Hospital, where she was treated for contusions to the left thigh and then transferred to the Jewish Hospital in St. Louis for further examination and treatment. It was determined that she suffered no serious injuries and her condition was listed as good.

The child was crossing Terminus street on 27th when it was struck by a northbound truck at the time of the mishap.

**Truck Driver Hospitalized**  
Charged with failing to yield the right of way at 27th street, a Madison avenue Thursday afternoon was George McWhorter, 80, of 2920 Pershing road, who was arrested after he approached a blinking red light at Madison avenue, his car collided with the left rear of a small van truck southbound on Madison, police charged.

The truck, belonging to the Eds Sales Co., 2401 Delmar avenue, was driven by Mike Hursey, 22, of 2027 Warren avenue. It overturned, and Hursey was rushed to St. Elizabeth Hospital, where he is being treated for observation. McWhorter posted his driver's license as bond pending a hearing.

**Cyclist Struck**  
Rudolph F. Haldeman, 51, of 2100 Washington avenue, was traveling west on 20th street Thursday afternoon when Bobbie Long, 10, of 1330 Edwardsville road came riding north on a bike out of an alley between Grand and Madison avenues and struck the side of the Haldeman car. Police were informed.

"The boy was taken to St. Elizabeth Hospital, where he received a wrist x-ray and was released."

RESUMED ONLY BRIEFLY last week after the end of a contractors' laborers' strike, widening of Madison avenue in Madison was halted again today in a dispute over application of wage increases on a project already started. This picture was taken Friday, shortly before issuance of paychecks by the General Contracting Co. brought the disagreement. Resurfacing has been postponed definitely to next spring; whether related curb and sidewalk work can be finished this year is uncertain.

## Gunshot Victim In Fair Condition

James Madison, 24, of 4100 Highway 111, was in fair condition today at St. Elizabeth Hospital after having been admitted last night as a result of a gunshot wound.

He reported to police that he was walking west on East 23rd street at 9 p.m. Sunday when a 32-caliber automatic pistol struck in his belt, accidentally went off after he crossed Kate street. The bullet struck his left leg and passed through his right leg between the knee and thigh.

He was found lying on the sidewalk in the 2400 block of East 23rd street by Eddie Holman, 33, who rushed him to the hospital for treatment.

**Nestle Collapse Described, Blast Remains Mystery**  
Wage negotiations for the 1961-62 fiscal year, a city weed program and a park district drainage pipeline also are to be discussed. With an electrical system, aldermen would vote simultaneously by push button, with their votes instantaneously flashed on a screen visible to spectators.

"I was welding when I felt the floor go up and then it suddenly dropped down."

Wesley Grote, 2701 Denver street, told a coroner's jury Friday night that he heard no noise before the Nestle Co. contracting department collapsed from an explosion on Aug. 9.

Other parking issues are proposed tonight's agenda as proposals to be considered.

**Traffic Halted Next Week**  
Establishment of one-way traffic on Benton street between 24th and 27th streets, and limiting of parking to one side on streets between Washington avenue and Adams street will be discussed tonight and will be the subject of a public hearing at 8:30 p.m. Monday, Aug. 28.

Other parking issues are proposed tonight's agenda as proposals to be considered.

**Welding On Tank**  
Hoffman and Grote were working together on the second floor of the three-story section erecting a stainless steel tank, and Grote was using an arc welder on the tank when the explosion occurred.

Neither man had any idea what caused the blast. Hoffman described the extracting process going on in the building, saying that the pressure in the boiler was about 150 pounds, or about 15 pounds less than the maximum possible. "There was nothing in the vicinity with explosive power," he said.

"I have no idea where the two men who were killed were, although I had seen them around the plant several times."

## Work Program Here For Men On Relief Ends First Year

Now a little more than a year old, a work program for able-bodied men on township relief rolls appears to be working satisfactorily.

"The program is the result of a state law passed last year requiring township relief rolls to be reduced by 10 percent by the end of the first year of the program."

Both Nameoki and Venice townships receive such state aid.

**Work For Cities**  
"So far as I'm concerned," Venice township Supervisor Arthur "Goose" Moore said this week, "the program is working very well and I'm satisfied with it."

Moore said about 20 men are now working for the Venice and Madison street departments, cleaning gutters, cutting weeds and doing other jobs beneficial to the cities, but for which the cities cannot afford many full-time workers.

He noted that relief workers are not used on jobs which have union laborers.

**Ditches, Roads**  
Nameoki township Supervisor Harry Briggs agreed that the program has been helpful. "We were able to complete a number of projects in the township which otherwise would have been done without the plan," he said.

Briggs said Nameoki township had an average of about 15 men working on the program last year for the past year under the program.

"The relief worker receives an allowance of \$1.50 an hour. The number of hours he is permitted to work, however, is limited to the time necessary to earn the amount of his monthly relief payment."

**Federal Law Could Be Harmful**  
Both Briggs and Moore expressed fear that new federal relief legislation will greatly damage the federal law.

"Under the federal law," Briggs said, "the men don't have to work for their money. This would have cut down our number of workers already, but the men haven't been paid under the plan."

Granite City township Supervisor Nelson Hagmann said he would like to use relief workers on the part of all concerned.

## Electric Council Voting Among City Topics Tonight

Proposed installation of an electric voting system for the city council of Granite City is among the topics scheduled for council discussion tonight.

Wage negotiations for the 1961-62 fiscal year, a city weed program and a park district drainage pipeline also are to be discussed. With an electrical system, aldermen would vote simultaneously by push button, with their votes instantaneously flashed on a screen visible to spectators.

"I was welding when I felt the floor go up and then it suddenly dropped down."

## Response Heavy On Civic Ideas In Venice

Asks Residents To Tell City Of Improvements Regarded As Needed

Several hundred Venice residents have responded so far to a unique appeal by city officials for ideas on improvement of community. Letters were distributed to all 1397 homes last week, and main suggestions received have dealt with cutting of weeds and covering of garbage containers.

The response was reported at Friday night's city council meeting by Mayor John E. Lee, who expressed hope that of the most several hundred more of the postcards will be mailed to the city hall. Aldermen will sort them and study appropriate action to be taken at their Sept. 13 meeting.

The plan was devised to learn what the residents desired to be improved and also to encourage home improvements, Dr. Lee said. Delivered by city and bridge employees, the letters, with addressed postcards attached, contained the following message:

**Efforts By Citizens**  
"I am writing to you on behalf of our city and its progress. There are certain improvements which we would like to see made, and we would like you to help us make them. We would like you to tell us what improvements you would like to see made, and we would like you to tell us what improvements you would like to see made."

"Things such as home repairs, a pointed fence, a neat lawn and a neat home can only be done by the citizens; major city improvements can only be initiated by the city."

If you will spend a little time in thinking what improvements you would like to see made, and we would like you to tell us what improvements you would like to see made."

Although no address or name is required, the city hall hopes that the ward will be specified, so that it can be determined what sections of Venice are affected by a particular problem.

**Woods Being Cut**  
City Clerk William M. Eberhardt reported to the council and a group of five Kerr Island residents that they have moved areas adjacent to the city and have been notified to cut weeds. Many areas already have been cut, and others are scheduled, he noted.

Mayor Lee said he will seek an appointment with Illinois Power Co. officials this week to discuss requests for extension of electric power to additional areas of Kerr Island.

In reports by Fourth Ward alderman Oscar King noted that covers are being left off garbage cans and trash placed in alleys, and William Briggs urged that grass be swept from streets by property owners after they have moved areas adjacent to curbs. He said the grass otherwise may be swept down the street by the city.

"First Ward Alderman James Miller reported rapid progress in installation of new lights along Broadway."

The council limited speed of cars on the alley between Main street and Lee Park to 15 miles an hour, and discussed possible adoption of a lower speed for all alleys at a later council meeting.

**No State Aid For GC**  
"The law only provides for those townships receiving state aid," he said. "Since Granite City township does not get state aid for relief payments, we have no power to force men on our relief rolls to work."

"I think there probably are some who would like to work for their money, but it would take a great deal of cooperation on the part of all concerned."

Hagmann said he has had in mind particularly the use of relief workers as school crossing guards and for certain park projects.

## Election Tuesday In Madison On 2 City Officials

A tight turnout of voters is expected in tomorrow's special election in Madison. A police magistrate and First Ward alderman are to be elected, with polls open from 6 a.m. to 6 p.m.

Little campaigning has been reported in the First Ward, where two are seeking the council. Voters in the other four wards have no contest to decide the name of John Bridick is the only one on their ballots.

Seeking the aldermanic position are Robert Donald Reeves, 1433 Third street, and Bernard H. Denison, 2024 Madison avenue. Reeves is a Dow Metal Products Co. employee, while Denison works as a clerk for the Brown Shoe Co.

**Former Alderman**  
Brick, manager of Friedman's furniture and hardware store, is Venice township school treasurer. He formerly held the position of alderman in the First Ward, but resigned his position to seek election to the magistracy job. That vacancy was created by the resignation of Louis S. Klesner shortly after his election in April.

Bridick and Reeves, running on the City Improvement Party ticket, are supported by city officials. Denison is running as an independent, with no independent candidate filing for the police magistracy's office.

Seventh street and Lee avenue through Five will receive ballots with only the name of Bridick. West Madison voters will receive ballots for city magistrate.

Election in the First Ward will be held at the new fire department building, 1527 Third street. Other polling places are Second Ward, public library, 1700 Fifth street; Third Ward, Madison memorial center, 1213 Madison avenue; and Fifth Ward, West Madison memorial center, 900 West Washington street.

**\$30,000,000 Bridge At E. St. Louis Proposed**  
Engineers have recommended a single-level deck girder bridge with eight traffic lanes to carry federal traffic routes across the Mississippi River between East St. Louis and St. Louis. It is estimated cost, including approaches, right-of-way and property damages, was fixed at \$30,000,000. 90% would be paid by the U.S. Bureau of Public Roads under the interstate program. The Corps of Engineers will hold a public hearing on the bridge at Madison, Aug. 30, in the Federal Building at St. Louis.

The bridge would be 2175 feet and it is designed to carry an average daily traffic load of 10,000 vehicles. It would be built on a 100-foot wide right-of-way. The estimated cost of a tunnel instead of a bridge, out estimated a tunnel would cost \$102,000,000.

**Strike Continues At Koppers, No Meetings**  
Began last Wednesday, the strike of Laborers' Local 397 continues today at the Koppers Construction Co. furnace project.

A spokesman for the company said today he knew of no plans for negotiation. The stoppage is attributed to payment of some workmen at less than mason tender's rate.

Construction workers have been observing a laborers' picket line at the project, at the Granite City Steel Co. Blast Furnace Department.

**Ministers To Attend Meeting On Taverns**  
Linking longer Madison county tavern hours to a proposal for increased liquor license fees, Madison County Board Chairman Gus Haller late last week suggested postponement of further consideration of closing hours until the December board meeting, Hoping for immediate action, a delegation will be present at Wednesday's board session from the local ministerial association.

Closing hours were extended in a recent election last month, and opposition is expected to be expressed by citizens at the August county board meeting at 10 o'clock on Wednesday at the court house in Edwardsville. Postponement until December would insure at least five months of late-hour operation.

Local ministers are inviting Quad-City county board members to confer individually tomorrow at Necedah, Mo. Methodist Church with a committee of ministers, it was announced today. The board members will be asked to explain their views on the matter to the county board. In particular, one in particular who still favors the longer hours will have expressed a signed pre-election pledge to the contrary.

The 37-4 vote in July changed county tavern hours from 1 a.m. to 2:30 a.m. on Sundays. No change was made in the \$300 yearly fee, which is less than in most cities of the county law applies to unincorporated sections.

**Master, Secretary Cited**  
During the past month, the board's "haste" and "secrecy" have been criticized and many board members have indicated they now favor a closing hour which would be uniform with most of the cities. However, not enough have yet expressed a change of viewpoint to assure the success of a repeal move.

Haller's suggestion that any further action on closing hours be held off until the December meeting was made during a discussion with members of the board's liquor license committee.

He noted that the license fee could be brought up for revision in December, before the new license year begins Jan. 1, 1962, and said that at that time the issue of closing could be thoroughly aired and decided.

**Doubts Early Repeal**  
The veteran labor chairman said he believes a two-thirds vote of the supervisors and assistant supervisors would be required for reconsideration at Wednesday's meeting, and expressed doubt that two-thirds would be secured.

As chairman, he did not vote on the issue last month, and has remained neutral, other than suggesting a delay in further action.

Seven board members were absent in July, and several who voted "Yes" would change their votes if given the opportunity. They include Milton E. Allen of Granite City and Supervisors C. F. Krueberg of Moro town.

## Four Junior Achievers At National Conference

Four Granite City youths who were active in local Junior Achievement companies in the past school year are in Columbus, O., today to attend the 18th annual national Junior Achievement's conference at Ohio State University.

They are Miss Bernadette Acquaviva, 2425 St. Clair avenue; Miss Marianne Wagner, Route One; Miss Cheryl Rice, 1212 East 25th street; and George Haven, 2448 East 24th street.

The four are members of a 21-delegate group from the Mississippi Valley area of JA which departed yesterday for the world's only teenage trade association convention. Conferences will continue through Friday.

Research, Sales, Advertising Activities will include workshops and discussion groups concerned with advertising and promotion, direct selling, techniques, employee relations, liquidation, research and development of products, income taxes, wages, salaries and commissions.

While at the conference, delegates will elect national officers for the coming year. Last year, 15 companies were active at the local JA center, located at 2009 Madison avenue. The program at the center was coordinated by Louis DeWitt.

Local delegates are from one of the ten national chapters representing JA companies, or are winners of the national contest.

## Budget Balancing Issue Before County Board

Measures to reduce the county's proposed new budget, if not actually balance it, are expected to be suggested at Wednesday's meeting of the County Board of Supervisors. The budget as it stands is about \$200,000 higher than last year's.

Various county offices and facilities requested a total of \$1,215,087 in budget hearings conducted by Leslie Prehn, assistant supervisor of Wood River township.

The requests amounted to an increase of \$185,325 over the 1960-61 budget total of \$1,316,762. It was estimated that the budget requests were about \$300,000 more than all income available to the county.

One means of balancing the budget, suggested by Prehn, is operation of all services under jurisdiction of the board at a determined state of the body when the county is operating at a loss or other foreign business proved negative.

Mrs. Becker, 33, Rural Route One, Box 103, died suddenly Aug. 15 after becoming ill at home. She had been in apparent good health, and did her normal housework the day she was stricken, the family reported.

Death was attributed to pulmonary edema, or lung congestion.

Heart occlusion was listed as probable cause of the death of Mr. Dolly, 40, who was stricken at the home of a friend after work on Aug. 7. A driver for the Waggoner Transfer Co., he lived at 4149 Division street.

**GRANITE CITY PRESS-RECORD**  
Page 2 Mon., Aug. 21, 1961

Although there was no survey of reactions to the suggested 20% reduction of service expenses, County Clerk Miss Eulalia Hines comments that she could not operate her office under such circumstances.

In the last fiscal year, the operating cost of the county clerk's office was \$95,138. Miss Hines estimated that her office fees turned in would total \$45,000.

Mobile Registration Unit announced in hearings was a motor vehicle which could be used as a mobile office to visit each county precinct to register voters. It would implement the present method of getting all voters registered by making a central stop in each of the 170 precincts in the county. She said some northern counties already use such equipment.

The car, which she said also could be used as a delivery van for election ballots and supplies, would visit each precinct after the county clerk is notified. Notices also would be placed announcing the appearance of the unit.

The equipment would not eliminate permanent voting registers, which are required under state statutes. It would not reduce the number of registration centers, but would implement the present method, she explained.

Still another new item requested by the county clerk is employment of a clerk to microfilm county records, which is not done on a regular basis now.

Balancing of this year's budget is handicapped by a ruling which reduced the general tax rate to less than the county had expected to levy.

**Equality Group To Walk Through Area Saturday**  
A "freedom" walk by 150 persons next Saturday has been planned by the Alton chapter of the Congress on Racial Equality. Starting south on Route 67a at 9 a.m., they are to go through Granite City, follow Illinois Route 7 through Madison and Venice and proceed to East St. Louis and over MacArthur Bridge to St. Louis.

Tests of suspected racial discrimination are planned at some places, including restaurants, along the route.

The commission approved a new addition to Wilshire Manor being subdivided by Everett G. Schmitt, and authorized changing the zoning classification of an addition to Westchester subdivision from R-1 to R-2.

Fifty homes are to be built in Wilshire Manor No. 3 and 4. Two new streets, Village Lane and Cambridge Drive, will be built. Concrete streets and a

## 16 Training Graduates Honored At Union Starch

Fifteen employees of the Union Starch and Refining Co. have completed industrial training in electrical blueprint reading, and one employee has completed study of industrial mechanics under Apprenticeship and Evening Trade Extension courses of the Granite City school district.

John McBride, vice president and general manager of the Union Starch firm, presented the 16 men with certificates recognizing their training in various trades. McBride commended them on their achievement.

The extension program, endorsed by both management and union officials, has been helpful to craft groups in industries of this area in keeping abreast with changes and progress in various trades. McBride commended them on their achievement.

Glen F. Keithley, director of the R. W. Olin vocational school, said the value of the courses has been apparent in enhancing employees' skills. He added that the value of the courses has been apparent in enhancing employees' skills. He added that the value of the courses has been apparent in enhancing employees' skills.

The man trained in industrial mechanics was Ralph Peters, 34, who received his training in electrical blueprint reading from Joseph Hahn, Alvin Stenger, Leroy Perry, Charles Sturmon, Oren Harrison, Richard Nipper, James Switzer, and John Duda.

Bernott Buron, 1622 Spruce street, died of cancer at 8:20 p.m. Thursday at St. Elizabeth Hospital, where he had been a patient for three weeks.

Mr. Buron came to Granite City as a young man from his native Hungary, later returning there for his wife, Elizabeth, who survives. He worked 35 years for General Steel Industries as a set-man before his retirement.

He was a member of the Good Fellowship club, United Steelworkers of America Local 1022 and the William Penn Fraternal Association.

Survivors, in addition to his wife, are a son, Bertland Joseph Buron of Granite City; a daughter, Mrs. Ann Gallagher, Butler, Pa.; a sister, Mrs. Marie Verbe, of the three remaining. Robert Eithier, 2999 Lynch avenue, is in good condition, while John Dawson, Glen Carbon, and John Hummel, Edwardsville, are in fair condition.

**Nesle Worker Released From Hospital Today**  
One of the four Nesle Co. workers hospitalized after the Aug. 9 blast was released today. The others remain at St. Elizabeth Hospital.

William Freeman, 1512a Third street, Madison, was discharged from the hospital this morning. Of the three remaining, Robert Eithier, 2999 Lynch avenue, is in good condition, while John Dawson, Glen Carbon, and John Hummel, Edwardsville, are in fair condition.

**Funeral For Former Resident, Mrs. Himes**  
Services were conducted at a St. Louis funeral home at 10 a.m. today for Mrs. Margaret Himes, 67, St. Louis, a former Granite City resident who died Friday at Barnes Hospital. Burial was in Valhalla Cemetery.

Mrs. Himes worked for Southern Bell Telephone Co. here many years before retiring in 1942. She was a member of the Granite City chapter of Telephone Pioneers of America and the Order of Eastern Star. She left no close relatives.

**John Chepley Dies At 59; Ill Four Months**  
John Chepley, 59, of 1750 Spruce street, died at St. Elizabeth Hospital at 6:45 a.m. Friday following a four-month illness. He had been in the hospital two weeks.

Mr. Chepley was a native of Hungary, coming to Granite City 47 years ago. He was employed at General Steel Industries for most of his working life, and was a member of the American Steelworkers of America Local 1022 and the William Penn Fraternal Association.

Survivors include his wife, Rose; a daughter, Mrs. Joseph (Rosemarie) Vizer, Granite City; two brothers, Joseph and Casper, both of Granite City; one sister, Mrs. Elizabeth Yuhaz of Belleville, Mo.; his mother, Mrs. Anna Chepley, Granite City, and two grandchildren.

Burial services were conducted this morning at St. Joseph's Catholic Church, with burial in Calvary Cemetery. An obituary appears elsewhere in this issue.

## Test Thursday On Practical Nurse Program

Persons aged 18 to 25 wishing to undertake a year's training for licensure as a practical nurse will take the entrance examination at 8:30 a.m. Thursday at the Granite City school district offices, 2014 State street. The test lasts over three hours and costs \$1 a person.

The program will enable residents of this area to receive most of the year's instruction and training locally. In the past, most students have gone to hospitals in Alton, East St. Louis or St. Louis for a year to qualify for the license.

Both men and women are eligible to participate in the local program, which will begin Sept. 20 with 17 weeks' attendance at the R. W. Olin vocational school. The group will attend eight hours a day, five days a week, for schooling and laboratory instruction by Mrs. Celestia Brandenburg, R.N.

The training in industrial mechanics was Ralph Peters, 34, who received his training in electrical blueprint reading from Joseph Hahn, Alvin Stenger, Leroy Perry, Charles Sturmon, Oren Harrison, Richard Nipper, James Switzer, and John Duda.

John Duda, John Grobolski, and John Kennedy, Charles King, Virgil Sienley, Douglas Vivod, Frank Baaden and John Hubert.

**Bernott Buron, 74, Succumbs To Cancer**  
Bernott Buron, 1622 Spruce street, died of cancer at 8:20 p.m. Thursday at St. Elizabeth Hospital, where he had been a patient for three weeks.

Mr. Buron came to Granite City as a young man from his native Hungary, later returning there for his wife, Elizabeth, who survives. He worked 35 years for General Steel Industries as a set-man before his retirement.

He was a member of the Good Fellowship club, United Steelworkers of America Local 1022 and the William Penn Fraternal Association.

Survivors, in addition to his wife, are a son, Bertland Joseph Buron of Granite City; a daughter, Mrs. Ann Gallagher, Butler, Pa.; a sister, Mrs. Marie Verbe, of the three remaining. Robert Eithier, 2999 Lynch avenue, is in good condition, while John Dawson, Glen Carbon, and John Hummel, Edwardsville, are in fair condition.

## Indicted For Possession Of Stolen Phonograph

Salvatore Joseph Spicuzza, 28, St. Louis, a former resident of Granite City, was indicted Thursday by a federal grand jury in St. Louis for alleged possession of stolen property.

Partner in a fruit stand at 614 North Sixth street, St. Louis, he was charged with possessing a stereophonic phonograph which had been stolen from the office of the Springfield Shipping Co., 1123 Third street. The shipping company had been moving the phonograph in interstate commerce. The indictment was submitted by the jury to U. S. Judge Randolph H. Weber.

## Two C. of C. Committees Will Meet This Week

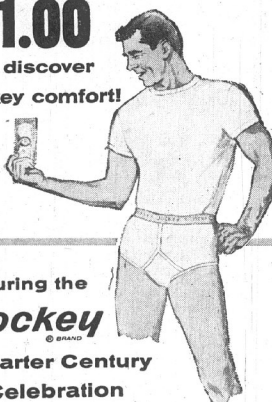

A special meeting to make final arrangements for the annual business-industry-agriculture dinner is one of two Tri-Cities Chamber of Commerce committee gatherings to be held at the Chamber offices this week.

The agriculture committee, headed by Howard W. Kaseberg, will meet Tuesday at 7:30 p.m. to prepare for the 10th annual dinner honoring local farmers, to be held Oct. 5.

The Keystone Klub, the membership committee, will hold its monthly coffee break meeting Thursday at 10 a.m., Chairman Ralph A. Morris II reported.

## Schedule School Registration In Venice, GC

With school buzzers poised to sound the start of another year of classes in the Quad-Cities, public school registration has been completed in Madison, under way this week in Venice and will start next week in Granite City.

Students who will enroll in the senior class at Venice high school are to register today at the high school office between 8:30 a.m. and 3:30 p.m., Principal Lewis E. Sablin has announced.

Juniors should register at the same time and place tomorrow, sophomores on Wednesday and freshmen on Thursday.

All other Venice youngsters required to register, and parents of children entering kindergarten, should register at their respective schools from 9 to 11 a.m. and 1 to 3 p.m. Wednesday at the principal's office.

Birth certificates should be presented at the time of registration, and all kindergarten, fifth and ninth grades and all new students must take a physical examination before registration is complete.

**Opening Dates**  
Both Venice and Madison public schools will open Monday, Aug. 28, at 9 a.m. and remain in session until 11:30 a.m. Buses will follow their regular schedule, but cafeterias will not serve until the next day, when regular classes will begin.

Registration at Madison public schools was completed last week with an estimated 2800 students enrolled.

Granite City youngsters will enjoy an extra week of "freedom" before returning to the books with a half-day session Sept. 5 signaling the start of another nine months.

Registration for new senior and junior high school students will be conducted at the respective schools from 9 a.m. to 4 p.m. Aug. 30 to Sept. 1.

Children planning to enroll in elementary school for the first time should be registered at the regular bus routes which will be followed, with some modifications to be announced later, but cafeteria service will not begin until the first full day of classes Sept. 6.

All parochial schools in the Quad-Cities will open Sept. 5 for a half-day session. Some will observe short school days throughout the first week.

## Development Specialists To Lead C. of C. Workshop

Community development experts from the U.S. Chamber of Commerce will be here Sept. 25 to lead discussions in a community action workshop.

About 40 local business leaders and Chamber managers from the southwestern part of the state will participate in the session, beginning with a noon luncheon. C. of C. President Paul H. Lichtenberger reports.

Means of improving local community development efforts will be discussed at the afternoon meeting.

## Pays Overdue Fine

Charles Weidner, 18, of 217 Weber street, Venice, was turned over to Granite City police Thursday afternoon by Venice police on a mittimus, based on a fine for a petty larceny charge dating back to June 26. He was released Thursday upon payment of the \$52 fine.

## Still Searching For Missing Money Orders

Granite City police, the American Express Co. and federal authorities are still investigating the reported loss or theft of \$1000 money orders worth a maximum of \$8000 from Graham's Book Store, Niedringhaus and Delmar of the thumb and the nail had to be removed.

Edwin Refske, president of the Tri-City Trades and Labor Council, AFL-CIO, last week sent additional letters to Cong. Melvin Price, Senators Everett M. Dirksen and Paul Douglas, and District Director Jay Philpott of the Internal Revenue Service in an effort to stop removal of the Granite City IRS office next month.

Philpott, in letters to Refske and Chamber of Commerce Manager Harlan Dubay last month, set Sept. 30 as the closing date of the local office, saying the move is aimed at increasing economy and providing better service. Quad-Cityans would be served by offices in Alton and East St. Louis.

Philpott's letters came in reply to earlier protests from the two organizations and others.

In the letter to Philpott, Refske called the saving of negligible amounts in operations "false economy" if it will "harm the people with additional expenses of travel and time off."

He urged the director to reconsider his plan.

"While we appreciate your efforts to effect economies of operation, we regret that you fail to consider the inconvenience and interest of our local people who will be compelled to take time off in order to go to East St. Louis or Alton for Internal Revenue services which they could continue to receive here if the local office remained," the letter said.

In three identical letters to Dirksen, Douglas and Price, Refske urged use of "your influence with the Washington officials of the Internal Revenue Service to the end that the Granite City office may remain here so that our people may continue to receive assistance here."

## Sacred Heart School Registration Thursday

Registration for old and new pupils who will attend either of the Sacred Heart schools will be held at the present school, 2600 Jordan avenue, from 9 a.m. to noon Thursday.

Children in grades one through four who live beyond Nishnaboli road will attend the new school in Glenview. Booklets for Sacred Heart and information on the school annex will be available.

Each child must be accompanied by a parent or guardian. The registration does not include kindergarten, for which registration was completed earlier.

## Mower Mishap Among Weekend Emergencies

A lawn mower accident resulted in hospital treatment Saturday for Harry Vaughn, 24, of 1630 Cleveland blvd. Catching his left thumb in a mower, he suffered a laceration to the tip of the thumb and the nail had to be removed.

Bobby Nash, 13, of 2593 Spalding avenue also was among those treated at St. Elizabeth Hospital Saturday, after hurting his left ankle while riding a bicycle. The ankle was tender and swollen, and x-rays were taken.

Linda McKire, three, Brookings, ran a wire into her left eye, suffering a subconjunctive hemorrhage, and Mrs. Rebecca Hampton, 3605 Kirkpatrick Homes, was treated Saturday after being bitten by a cat on the left ring finger.

Carolyn Sabo, Lee G. Lipe  
Wed At Niedringhaus Church

Niedringhaus Memorial Methodist Church was the scene of the wedding Saturday evening of Miss Carolyn Sue Sabo and Lee George Lipe.

Bouquets of white summer flowers decorated the altar, lighted with burning candles, for the ceremony performed at 8 o'clock by Rev. Vernie Barnett. Mrs. Russell West presided at the organ and accompanied the soloist, Mrs. Emma Portell, as she sang "Always" and "I Love You Truly."

The bride, who resided with her grandparents, Mr. and Mrs. Elmer Parks, 3004 Ramona drive, is a daughter of Mr. and Mrs. Robert Dorch, 2573 Lynch avenue. Mr. Lipe's parents are Mr. and Mrs. Leo B. Lipe, 1735 Benton road.

The bride wore a white satin gown reembodyed with lace appliques of flowers on the very full skirt. The sleeves were long and the skirt ended in a chapel train. A short lace-trimmed veil of illusion fell from a crown of seed pearls, and the bride carried a white orchid and stephanotis with ribbon streamers on a pink bouquet.

Pink chiffon over taffeta was worn by the maid of honor, Miss Sandra Johnson, and bridesmaid, Miss Cheryl Dorch, the bride's sister.

The dresses, made alike, had tight bodices, round necks with ruffles and piping around the waists and full skirts. The dresses were trimmed with embroidered flowers, and white circular veils were worn in their hair. Both carried colonial bouquets of white carnations and ribbon streamers.

Another sister of the bride, Phyllis Dorch, was flower girl. Her frock of white organza was trimmed with lace. The bridesmaid was of white eyelet, and a pink

## Share Honors At Sweet 16 Party

Miss Sheryl Glazik and Miss Karen Arner shared honors Friday evening at a "sweet 16" party given by their mothers, Mrs. Edward Glazik and Mrs. Newell Arner at the Glazik home, 3709 Fair Oaks drive. Both girls celebrate birthdays in August.

The theme was carried out in decorations of pink and white. Two small hoops encircled with pink ribbon streamers and tiny silver powder hoops glistening at the ends of the ribbons were suspended above pink tapers on each side of a double pink and white centerpiece. Fresh pink roses and artificial butterflies completed the table decor.

Entertainment consisted of games, and prizes were awarded to Misses Shirley Ross, Mickey Hoy, Janet Dalls and Sandy Luzony.

Others on the guest list were Misses Betty Jones, Ann Rich, Linda Henley, Ann Johnson, Kathy Cross, Nancy Williams, Lana McDaniel, Charlette Crippen, Sally Bamberger, Janet Melvold, Donna Willard, Carol Waffler, Cathy Jones, Marilyn Glazik and Kathy Darnier, and Marilyn Karaske of St. Louis.

Refreshments were served and each guest received a souvenir. The itinerary included visits to Pike's Peak and Estes Park.

Mr. and Mrs. Charles Jungels and children, Linda Jean, Howard and Paul, 2541 State street, have returned from a vacation of ten days spent on a tour of Oklahoma, Colorado and other western states.

The itinerary included visits to Pike's Peak and Estes Park. Mr. and Mrs. Carl Macios, formerly of this area, were transferred to Colorado by Sverdrup & Parcel Inc. They expect to be in the west six months or longer.

THOMPSONS ATTEND FAMILY REUNION  
Mr. and Mrs. Malcolm Thompson, with their daughters, Kathryn and Barbara, and sons, David and Ralph, attended a reunion of the Thompson family at Lake Hillsboro in Hillsboro, Ill., Sunday. Approximately 50 were present.

Barbara and Kathryn Thompson accompanied an uncle and aunt, Mr. and Mrs. S. R. McCall, to their home in Irving, Ill., to spend the week.

FORMER MELBA BRANDING HERE  
Miss Anthony Cole and her children, Sue, Anthony, Anita and David have arrived here from their home in Highland Falls, N.Y., for a visit with her parents, Mr. and Mrs. Louis H. Branding, 2012 Grand avenue. Mr. Cole will join his family here later in the week and all will return home together.

ENTERTAINS GUESTS  
Mr. and Mrs. George Schwartz of South Chicago, Ill., and Mrs. Josie Brown, a former Granite Cityan now residing in Gary, Ind., were weekend guests of Mrs. Alice Koesterer, 2840 Iowa street.

ENTERTAINS SISTER  
Mr. and Mrs. Emil Dommett and daughter, Helen, of Wayland, Mich., were guests Saturday of Mrs. Dommett's sister, Mrs. Elizabeth Pippin, and Mr. and Mrs. Wallace Somelard, 1914 Delmar avenue.

VACATIONING IN MEXICO  
Mrs. Cathy Delaloye, 1729 Edison avenue, left Friday for a fortnight's vacation in Acapulco and Mexico City, Mex., and in New Orleans, La., where she will visit friends.

## Miss Molly Elaine Moody Bride Of John T. Isaacson

Miss Molly Elaine Moody of the Congress Hotel in St. Louis, a daughter of Mr. and Mrs. E. J. Moody, Chevy Hill Farm near Edwardsville, and John Theodore Isaacson, 6515 Wydown, St. Louis, were married Saturday evening at Memorial Presbyterian Church in St. Louis.

The ceremony was performed at 8 o'clock with Rev. A. Ralph Lynn of Moro, Ill., a former pastor of First United Presbyterian Church in this city, and the Rev. Kipp of the Kirkwood Presbyterian Church officiating. The bride's parents gave reception afterward at the Gatesworth Hotel.

Mr. Moody gave his daughter in marriage. Her gown of ivory tulle, styled on gable lines, was enhanced with appliques of lace encrusted with crystal beads and seed pearls. The fitted bodice had an oval neckline and bracelet-length sleeves and the softly bouffant skirt terminated in a chapel train. A veil of Belgian lace was worn. The bride held a white prayer book topped with white orchids and stephanotis.

Miss Texie Taylor of Marshall, Tex., maid of honor, and four bridesmaids, Mrs. Robert Brantley of Hot Springs, Ark., a former roommate of the bride at Monticello College, Miss Barbara Ruffing of Belleville, Mrs. Marie Chapman of Shelbyville, Ill., and Miss Marian Connolly of St. Louis, were dressed alike in frocks of willow green chiffon designed with high oval necks and small sleeves.

The full skirts, finished with deep hems, were attached to the fitted bodices by corset and tiny bows at the back. Tricorns of matching blossoms were worn with puffed back veils and all of the attendants carried crescent bouquets of fugi chrysanthemums.

Curtis Washburn of Rockford, Ill., was best man for Mr. Isaacson and the usher corps consisted of John Porter, Richard Dammkoehle, James Murdoch, and Lee Gintz of St. Louis, Howard and Geraldine, Montana.

MRS. JOHN T. ISAACSON, a bride of Saturday, a daughter of Mr. and Mrs. E. J. Moody of Chevy Hill Farm near Edwardsville, she was Molly Moody before her marriage at Memorial Presbyterian Church in St. Louis.

### Miss Kovach, W. J. Lochmann Exchange Vows

The wedding of Miss Margaret Kovach, a daughter of Mr. and Mrs. John Kovach, 2501 Madison avenue, and Walter J. Lochmann, son of Walter G. Lochmann, of Los Angeles, Calif., took place Saturday morning in the chapel of Westminster Presbyterian Church in St. Louis.

The bride wore a street-length dress of ivory silk, the bodice and the front of the skirt embroidered with white flowers and pearls. The dress was designed with a boat neckline and three-quarter-length sleeves, and a pill box hat of matching silk completed the costume.

In lieu of a bouquet, the bride carried a white orchid atop a white Bible.

Mrs. William Kovach and Wilfred C. Slader, the latter of Crown Point, Ind., were the only attendants. Mrs. Kovach was attired in a dress of pink chiffon over taffeta made with a light bodice, a scoop neck and three-quarter-length sleeves. Her flowers were a nosegay of pink and white carnations.

The wedding breakfast for the immediate families and the bridal party was held at the Rose Bowl in Granite City.

After a honeymoon in Colorado, the newlyweds will reside at 476 Hamilton blvd., Wood River, where Mr. Lochmann is employed as a research engineer by the Shell Oil Co. A metallurgical engineer, he is a graduate of Colorado School of Mines.

The former Miss Kovach graduated from Granite City high school and has been employed as a secretary by the Mississippi River Fuel Corp. in Clayton, Mo.

### August Meeting Of Octagon Club

The Octagon Bridge club was entertained Thursday evening by Mrs. George Schnyder, of Twin Lakes, Mo.

All were present and honor went to Mrs. Frank Griffith, Mrs. Helen Bernaux and Mrs. Alvin Michel.

The club's next party will be held Aug. 31 in the home of Mrs. Fred Schuler, 2506 Waterman avenue.

**PYTHAN SISTERS HONOR OLDEST MEMBER**  
Mrs. Ida Crain, who is celebrating her 93rd birthday, was honored by Cascade Temple 216, Pythian Sisters, following a regular meeting Thursday evening.

Approximately 20 members of the Temple attended the party, and Mrs. Crain, a charter member and the oldest member of the Temple, was presented with a corsage. Refreshments were served from attractively arranged tables and prizes were won by Mrs. Ethel Seymour and Mrs. Magdalena Dick.

### Mrs. Teller Navy Mothers' State Trustee

Mrs. Jean Teller, commander of the Quad-Cities Navy Mothers' Club, 850, has been elected a state trustee for a two year term. She was named at the Illinois State convention in Peoria which she, together with Mrs. Mary Korcos, a past commander, attended as delegates the past week.

The three-day meeting ended Friday, and the newly-elected officers were installed after a banquet.

At the business meeting on Thursday, Mrs. Korcos, national VA co-chairman, was called upon to speak on volunteer service in veterans' hospitals. At the afternoon session, Naval awards were presented.

The Quad-Cities Mothers' Club award was accepted by Commander Teller. It was a certificate of recognition of volunteer services to Naval hospitals and active Navy personnel. A school of instruction on correct procedures of business meetings and protocol was held Friday, and announcement was made of the next convention, to be held in Springfield in August 1963.

## Reining Class At Saturday's Horse Show Will Test Entries' Training

At the Rotary Horse Show to be held Saturday, Aug. 26 at 7 p.m. at the Tri-City Speedway, Illinois Route Three, the final event of the evening will be the reining class, which is the test of obedience for horses.

The horse must be 14 hands or over in size. All contestants will gather in the arena before the start of the event.

Upon call, each contestant will perform the required pattern individually and separately.

**Basic Of Judging**

Each horse will be judged on the neatness, dispatch, ease, calmness and speed with which it performs the pattern.

Excessive jawing, open mouth or head raising on stop, lack of smooth sliding stop on haunches, breaking gait, refusing to back, sliding both in front and behind, anticipating signals, stumbling or falling, wringing tail, backing sideways, changing hands on reins, holding on, or two hands on reins, or any one of these faults will result in a deduction of points.

Horses must rein and handle easily, fluently, effortlessly and with reasonable speed throughout the pattern. Scoring will be on the basis of 60 to 80 to 100 denoting an average performance.

**Varied Patterns**

In case of doubt, a judge may require any contestant to repeat his performance of any or all of the various parts of the pattern. A judge has the authority to require removal or alteration of any piece of equipment which, in his opinion, would tend to give a horse unfair advantage.

Patterns involved in the reining class are figure eights, circles, sliding stop and back-up, and rollbacks to the right. The figure eights and circles must be made within 75 feet.

The event is considered an excellent test of horsemanship and obedience of the mount.

## Rockette Hex Holds; Kelly's Dumped 11-7

Collinsville's Rockettes continued to hold their season-long hex over the Kelly Girls of Venice in Girls' Twilight Softball League play at Lee Park Thursday night. The league champions tripped P. E. "Pop" Meyer's club for the fourth straight time this season, 11-7.

A misjudged fly ball to center in the top of the fifth inning sent the bases loaded and the Rockettes went on to score seven runs before the side was retired.

The game had been tied 4-4 at that point after Kelly's had come up with three runs in the bottom of the fourth. The losers counted three more times in the sixth, but Karen Rowe hung on to pick up the victory.

The loser was Joan Masarung, who was forced to leave the game in the fifth when she was struck on the ankle by a batted ball. Sandy Kinas finished up for Kelly's, who completed the regular season with a 17-8 record and second place in the standings.

**Playoffs To Begin**

## Dan Fry Tops 18-Car Field For Midget Feature Win

St. Louis pilot Danny Fry came from well back in the pack to win the 30-lap main event at the first midget auto racing program of the season Thursday night at the Tri-City Speedway.

Before a crowd of some 3000, Fry overtook Gene Hartley, who set the pace for 19 laps, and then streaked past the checkered flag a car length ahead of Leroy Warner of Indianapolis who put on the pressure near the end of the feature.

Warner was the only double winner of the evening as he also captured a heat race during the event, which was announced by the United States Auto Club and promoted by Joe Shaeffer.

**Worthwhile Waits**

Nearly all of the racing fans who came out to watch the midgets here for the first time were on hand for the feature finale, despite two lengthy interruptions in the program.

A young spectator who fell and struck his head was taken to the local hospital by the track ambulance between races, and the program was held up for 45 minutes until the ambulance returned.

Car drivers, not satisfied with the track's condition, requested some reworking before the main event, got it, and then made the full worthwhile with some fan ydelling in the final, which saw 18 of the fastest qualifiers fight it out for top prize money.

The feature field included the four top money winners in 1960 USAC competition, but A. J. Foyt, big car winner at Indianapolis, was absent.

It was explained that Foyt's young son is seriously ill, and he had returned early this week to Houston, Tex., where the boy is confined in a hospital.

Other heat winners Thursday night were Chuck Weyant of Springfield, Ill.; Rex Easton, also of Springfield; Allen Crow of Springfield; and Bill Homer of Crown Point, Ind. Despite such apoplexy in the track early in the evening, there was only one minor mishap and no injury to the drivers.

**Madison Baptist, Bethel In Tight Church Loop Race**

Madison Baptist and Bethel Community continued their neck-and-neck race for the Church Slow Pitch Softball league title Thursday night. Both scored victories as the Baptists held onto a one-game lead in action at the Wilson Park diamond.

Bethel scored an easy 9-1 victory over winless Good Shepherd in the first game, while the Baptists had to stage a rally to effect third-place Community Heights, 12-11.

Luther Burlingame shut out Good Shepherd for six innings, while the Bethel offense hung up six runs in the second for more than enough to win. Burlingame pitched a four-hitter, while Jesus Bud Layton was tagged for 19 hits.

Community Heights had an 8-5 lead at the end of three innings in the second game. Madison Baptist countered with two in the fourth and four more in the fifth. A single run in the sixth proved to be the deciding factor. Community Heights scored single markers in the fourth, fifth and sixth, and outlived the winners 12-11.

Frank Eaves got credit for the win, and Glen Warfield was the losing pitcher. Thursday's play was to have concluded the regular season, but the league has

two rained-out dates to make up before the playoffs can begin. One of the makeup games will match the top two teams.

## Thurmer Snuffs Out 'A' Title Hopes For GC Thursday With 10-9 Decision

The local Park District softball club, which has been involved in 15 games this season, decided by one run, tasted defeat for the second straight evening by the slim margin as it bowed to Thurmer's Thursday in a Munk Class A tussle at Fox Park in St. Louis, 10-9.

The loss extinguished any hopes that the Park District might finish strongly enough to wrest the league title from Thurmer's, which wrapped it up in the free-awing affair.

Ed Boneck, who had fired a no-hitter against Seco the previous evening, was touched for seven hits by GC, but his teammates managed 12 off loser Leo Six and Norm Groe, who relieved with two out in the third.

**Good Start**

Off to a good start, the park club treated Boneck roughly in the first frame, Ben Dillard walked, Art Barchers followed with a double and Harold Post tripled in two. After Jake Hinterser had drawn a walk, Groe, who started in the outfield, singled in two more and GC led 4-0.

Thurmer's knotted the score in the second, with Dale Stogdill getting an important two-bagger. Hinterser and singled in Jim Bain, who had reached on an error and swiped second, in the

## Moose Club Clinches 'B' Loop Crown

Moose Club 272 is the 1961 champion of the park district Class B softball league. The Moose sailed away the crown Saturday night with a 2-0 victory over Modern Furnace in a makeup of a rain-outed encounter.

The Graniters made a bid to reach the playoffs as they won their sixth game, by forfeit from the Knights of Columbus.

Neal Melton got credit for the Moose win, the club's 12th with one loss. No serious threat to the title—losses in the final two games would have been needed—developed as Melton tossed a four-hitter. The Moose had eight hits, and scored three runs—enough to win—in the first frame. Loner Al Mance gave up eight hits.

Spangler Insurance kept alive its bid hopes of a first-place tie in the Class B softball league Thursday night by tripping Club Delmar at Wilson Park, 3-1.

Granite City 214 and Modern Furnace pulled an upset of sorts in the first game as it edged past the Modern Extremities, 2-1. The winners pushed across the deciding marker in the seventh frame on Lynn Cook's single, an error and a fielder's choice, breaking a 1-1 tie.

The Extremities got their lone run in the sixth on Dave Fluch's RBI triple. Carroll Fluch, who limited the Extremities to three hits, took the loss.

Spangler bunched all of its scoring in the sixth on a nightcap. Everything happened in pairs. Singles by Bob Jones and Bob Allen were switched together with two walks and a couple of fielders' choices, good for three runs.

## Overstress On Wins Comes From Outside High School—Yates

Placing of overemphasis on the importance of winning in athletic teams stems mainly from sources outside a high school, Granite City School Athletic Director Richard Yates told members of the Daybreak Optimist club Saturday morning at the YMCA.

Yates, introduced by the August program chairman, Robert Butler, spoke on, "Of What Value Is Athletics to My Son?"

While he regards winning as an unhealthy, the athletic director said, it is placed upon the athlete's mind by parents, coaches and conditioning methods, Yates said.

He said that youths benefit from participation in athletics because it offers an opportunity "for good, healthy exposure to competition," adding that grades usually improve.

Discussing the importance of earning money through after-school employment, he said that often the major aim is the purchase of an auto, and stressed that a student's grades usually suffer as a result.

Vice-president Fred Schwartz reported on meetings of the Optimist Christmas tree committee, and George Moore was named chairman of the program committee for September.

## Held On Warrant

Carl Preston Lingle, 18, of Meisore avenue was turned over to county authorities at 10:30 p.m. Friday by Granite City police, to be held for the sheriff of Caldwell County, N.C., on their warrant. Lingle had been held here since his arrest at 7:40 p.m. Thursday.

## Parking Charge

James C. Seim, 21, of 1927 Third street, Madison, was issued an arrest ticket for illegal parking on Market street at 6 p.m. Friday by Madison police. He paid \$5 in fine and costs.

## But Locals Fail To Gain On Victorious Moose, McAtreese Glass

Sacred Heart 4, Pochontas 0, Mercer 4, Maryville 2, Moose Lodge 16, Carpenter 4, McAtreese Glass 3, Troy 1, Collinsville 9, White City 0 (forfeit).

For the first time since July 16, Sacred Heart and Mercer Funeral Home gave Granite City a sweep of Sunday activity in the Inter-City Baseball league yesterday.

The Hearts, behind the shut-out hurling of John Rains, scalped the Pochontas Braves 4-0, and Mercer edged Maryville 4-2 as Jack Buehne scattered eight hits to record his ninth victory.

Neither of the clubs was able to gain any ground on the divisions leaders, McAtreese of East St. Louis held its one-game lead over Mercer by squeaking past Troy 3-1, and Moose of East St. Louis pounded Carpenter 16-4 to preserve a two-game lead over Collinsville.

The Boaters were awarded a forfeit win over White City.

Rains In Control

In blanking Pochontas, Rains struck out six and walked two. Jim Brown, who relieved loser Lonnie Griffith in the fourth, had the Braves' only extra-base hit, a triple.

The Hearts got three in the fourth when Catcher Harry Smith walked and swung second, Larry Burns singled him across and advanced on two wild pitches. Mike Sweeney singled Burns across. Rains sacrificed, and Jim McAtreese made the strategy look good when he played Sweeney from second with his ace.

McAtreese scored the final run in the ninth when he singled stole and scored on a throwing error by the Braves.

Mercer did all its scoring in the early innings, and it took line relief pitching by Dick Portell to preserve the win for Buehne.

McAtreese by Harland Zobrist and Randy Hinkle added a pair of walks gave Maryville a tie in the fifth, and a wing leader homer in the sixth by Rich Sauer, followed by Len Drea's double and a single by Russ Seng, which placed runners at second and third, led to Buehne's removal.

Portell saved Victory

Portell prevented further trouble by getting the next batter to bounce out, the runners holding striking out pinchhitter Norton Belmont and forcing Jerry Dick pop up.

Gary Burnester continued his streak of hitting over being signed by Mercer. He drove in the winners' first two runs in the opening frame when he singled with the bases loaded. The timely blow followed a walk to Ken Cook, a single by Charles Johannmeier and an intentional pass to Rich Branding.

Cook drove in the other two runs in the single with a single. Pete Burdette and Don Dillard had opened with base hits and advanced on Rudy Dick's perfect sacrifice. Dick was the winning pitcher, going all the way and giving up eight hits.

## 4 Place At Jaycee State Jambores

Carolyn Starling, 14, made the best showing of four local girls in the 10-12 age group at the Jaycees. Illinois Junior Sports Jambores at Chicago, she was the runner-up in her specialty, the baseball throw, at 222 feet in girls' intermediate finals.

Terry Labarey finished fourth in the 50-yard dash for intermediate girls, and Jim Stuart fourth in a full race of 111 yards for midget division boys.

Terry Studebaker was fifth in 11-12 girls' diving final. She placed a full race in her specialty, the 50-yard dash for intermediate girls, and Jim Stuart fourth in a full race of 111 yards for midget division boys.

The local contestants, winners of Granite City and regional Jaycee track, field and swimming competitions, were among 600 youths who competed. They were accompanied by Phil Hogan, coach, and Bill Wyatt, local Jaycee and District Eight vice-president, an official at the state finals.

## Sportsman's, Bowland, Polish Hall Defeat Tavern Loop Foes

Champion Bowland struggled to a 9-8 victory over Club Delmar yesterday in the Tavern loop pitch softball league.

Two other playoff contenders, Sportsman's and Polish Hall, also lost yesterday. Sportsman's by a forfeit over Jolly Mill, and Polish Hall 6-5 over Jug's. Winner Stan Szwedka and Joe Skowron each had three hits, while Norm Meyer homered for Jug's. Howard Thebaud took the loss.

Sony Miloski was the loser for Bowland, and Len Fuchs for Polish Hall. Bill Seng homered for the losers.

Another forfeit win went to Home of the Blues over Tubby's. Mike Mickey's moved into seventh with a 9-6 win over Cotton's. Ray Lowe was the winner.

Sabro led with three hits, each, at Bill Page for Cotton's. Bob Mikol was the loser.

Jug's was awarded a forfeit win Saturday in a makeup game against Club Delmar in a fourth inning dispute. Sportsman's and Mickey's will make up a rain-outed contest Saturday at 2 p.m. at Lee Park.

Bowland clinched the league title with a 15-4 victory over Cotton's in a Thursday night makeup game. Paced by the two home runs of Catcher Carl Harrison, the league champs were never in trouble.

Sony Miloski was the winner, and George Barr the loser.

## DeMolays 6th, 9th In National Bowling

Word has been received from the International Supreme Court of the DeMolay Fraternity, representing the Granite City chapter placed sixth and ninth in the 1961 International DeMolay Bowling and Golfing championship. First place was won by the Buckley chapter of Burlington, Wash.

Sixth place was won by the Granite City DeMolay Unions, with 2488 scores. Members are Skip Milhouse, David Wilson, Ted Bourbon, David Toth and Louis Saragato.

Ninth was won by the Granite City DeMolay Neoplasms, with 2488 scores. Members are Larry Tolbert, Kenneth White, Gerald Heffler, William Pascoe and Len Thompson Jr. The team's games were rolled at Bowland.

## Van Horn's Eliminates GC At State Tourney; 4 Teams Remain In Running

Host team and defending champion Monticello, Casey, Villa Grove and Decatur Merchants reached semifinals of the IASA state tourney at Monticello Sunday.

The Granite City Park District was eliminated in the first-round Friday by Van Horn's of Cerro Gordo 10-3, the most lopsided score thus far in the 16-team meet, running 24 hours behind schedule due to a Saturday downpour.

Title Game Tuesday

Tonight, Monticello meets Casey and Villa Grove tangles with favored Decatur. The survivors will meet Tuesday at 8:15 p.m. for the state championship.

Monticello advanced by downing Danville 5-2, before defeating Jackson's last night. Casey clipped Springfield Totals 4-2.

## Dave Moss, Lone GC Finalist, Wins Junior Doubles; Second In Singles

Granite City's Dave Moss and Bob Stock of Iowa City teamed together yesterday to grab the junior doubles title of the second annual Granite City Park district invitational tennis tournament at Wilson Park 6-3, 6-1 over St. Louisans Eddie Frank and Manfred Reetz.

Then Moss, only local player to make the finals in any division, lost to Stock in the consolation singles play. Bill Logan and Mike Barnes, both of St. Louis, reached semi-finals of the junior singles before bowing to Moss and Stock. The tournament, which started at 7:30 a.m. and ended at 7:30 p.m., attracted 85 entries. The last match ended in a tie at 1-1.

## Speeding Arrests

Two Madison men, Harvel D. Wallace, 21, of 1605 Elizabeth street, and Paul D. Bokovsky, 24, of 918 Alton street, were arrested five minutes apart Saturday about 2:15 a.m. and charged with speeding on 18th and State streets. Each posted his driver's license as bond.

## Tent Blaze In Park

The Venice fire department answered a call at 4:30 p.m. Friday to Lee Park, where a blaze occurred in a small tent erected for the Venice homecoming festival. The fire was quickly extinguished, and damage was slight.

## Arrested At Crossing

Robert D. Phillips, 38, Godfrey, Ill., was charged Thursday at 1:29 p.m. with passing a crossing warning gate on 20th street. He posted his driver's license as bond and was released.

## Improper Turn Charge

Bobbie J. Crispin, 1602 First street, Madison, was charged at 8:20 p.m. Saturday with making an improper left turn while driving in Granite City. The motorist was released after posting a driving license as bond.

## Assault Charge

Arrested at his home at 9:30 a.m. Saturday, Joe Narver, 1019 Third street, Venice, was charged with assault and battery on a female on 11th and State streets. He was released after posting a bond of \$100.

## Wind Damages Door

A strong gust of wind at 5 p.m. Saturday damaged a door on the west side of the Madison city hall. Blowing the door open, the wind twisted a hinge inside the aluminum frame, tearing the door loose. A heavy plate glass in the door was broken.

A collection of southbound vehicles on Madison avenue at 13th street at 7:15 p.m. Saturday damaged the left front of a pickup truck driven by Charles E. Werner, 46, of 1933 Alton avenue, Cloverland. Addition, who was turning left, and the right side of the auto of Stanley A. Barnhart, 28, of 2124 Grand avenue, who was passing.

## YMCA Considering Swim Classes For Handicapped

If enough interest is shown the local YMCA will begin regular swimming classes for physically handicapped children and adults this fall, Mrs. Lee Pfaff of the YMCA staff said today.

Provided the course is taken up by enough interested persons, the staff will furnish qualified instructors, necessary equipment and facilities. Such programs include an instructor for each student.

Mrs. Pfaff said she will explain plans for the course in more detail to interested persons calling the YMCA.

### Riverfront Road Will Provide Needed Link With Harbor, Industrial Sites

Quad-Cityans are the beneficiaries of the state's decision to give high priority to Federal Aid Route 151, the riverfront highway that will afford easy access to local harbor facilities, industrial sites and the growing network of interstate highways.

The modern four-lane roadway, including frequent links with existing streets and roads, is expected to play a vital part in many phases of this community's future. And there can be no doubt of its importance to port developments scheduled by the Tri-Cities Regional Port District and the Bi-State Development Agency, for convenient highway transportation is essential at loading and unloading facilities for water transportation. Enlarged brass mills south of East Alton also will be easier to reach from the Quad-Cities.

The new road will affect the Quad-Cities in many ways, and the "green light" given at a conference last week shows that complications which have arisen have been ironed out satisfactorily. The highway's scheduled location and design now conform with needs of all local cities, the port district—which has just awarded its first contract—Bi-State Development Agency and railroads.

The state highway division is wise in proceeding at full speed on the long-awaited riverfront roadway. If the present schedule is followed, it will be completed in time to fit in with the major harbor and industrial plans rapidly developing to the immediate west and north of the Quad-Cities.

Almost anyone can plan, but it takes work and intelligence to execute a program.

### New Postoffice Building Should Not Eliminate Downtown Service

The long overdue new postoffice building for Granite City, to be located at 24th street and Madison avenue, is welcome news, particularly to the Chamber of Commerce members who have worked so hard for it these many years, but it should not—and cannot—take the place of downtown postal facilities.

These must be continued, even if on a reduced scale; they are too important to the scores of business firms, as well as adjacent industries, to be abandoned. Even now, there is a resurgence of business district growth and activity that is bound to make such a move more unacceptable than ever.

Further, with the economy-minded Postoffice Department urging early daily mailings, transfer of downtown facilities to the new 24th street building will be a step backward; it will put new difficulties in the way of compliance by business district firms. Consideration might be given to a new downtown location, with a higher use made of the present postoffice triangle, but anything less is regressive and out of the question. At no time, in the numerous discussions held with postal authorities in this city, in Chicago and in Washington, D. C., was it felt that a new postoffice building would take the place of adequate facilities within the downtown area.

### Continued Support Of Lake Park Program Could Prove Worthwhile

Anyone who did not believe that the pen is mightier than the sword must be convinced after considering the governor's many decisions in signing and vetoing bills. Faring well in several instances but severely damaged by the drainage bill veto, the Quad-Cities could finish on the plus side of the ledger if the Horseshoe Lake state park legislation avoids the veto pen and obtains at least part of the proposed appropriation.

While the bill remains in doubt, any support that is forthcoming from this area may prove helpful. The park means much to Madison and St. Clair counties in terms of recreational facilities, plus greater attractiveness to new industry and its accompanying job opportunities.

Letters by private citizens and organizations to Gov. Kerner, asking that the Horseshoe Lake park program not be vetoed, potentially can do much to influence the decision, for our government must be directly related to people and their needs. The bill does not require formal signing in order to become law; it only needs to escape a veto.

### Permanent Staff Named To Guide Development Of New University

Appointment of Dr. Clarence W. Stephens as vice-president for operations of the new Southwestern University campus and designation of academic division heads should afford a permanent, full-time staff that can concentrate all its efforts on development of the new school and operation of the related 5000-student residence centers.

Together with Southern Illinois University President Morris and other officials and staff members, the Southwestern Campus directors can shoulder the immense task of developing a major four-year state university where none has existed.

Closely acquainted with all SIU operations and in charge of financial planning for both the Southwestern and Carbondale campuses since 1958, Dr. Stephens has experience in the university's central office and extensive knowledge of the Illinois Metropolitan Area's educational needs. Local residents wish him, the division heads and faculty members well in their challenging assignment.

Freedom is not always the right to do and to say what you please.

### Quad-Cities Still Attractive As Place To Live, Work Despite Changes, Growth

If an individual has any doubts about how large the Quad-Cities have become, he can dispel them with an informal auto tour. A circuit that once took only a few minutes now requires more than an hour, even with many neighborhoods omitted. And yet we have the feeling that the local community has retained many of the basic values that contributed to its start and early growth.

Any population center is bound to change, and this has been true of the Quad-Cities. To both oldtimers and new residents, it is clear that this area of more than 65,000 people is rapidly expanding, becoming more urbanized and less rural, achieving a wider variety of available housing and gaining increasing industrial diversification.

But though the present complex of tall buildings, wide highways and streets, brightly lighted business districts, gigantic manufacturing firms and sprawling residential developments bears little resemblance to the original settlement of more than a century ago, this community still adheres to its original appeal—a good place to live and to work.

### THE PASTOR SPEAKS

By REV. CALVIN MARCUM,  
Pastor,  
Nansack Presbyterian Church

Wise people always learn from the experiences of others. It will

be an act of wisdom to study the book of Judges and learn the lesson it has to teach.

The Bible is a book about God and man and their relationship to each other. It is so up-to-date because the basic nature of God and man remain the same throughout the centuries.

The lesson to be learned from the book of Judges is this: when men live as God has taught, life is at its best. When man disregards the "letter and the spirit" of the laws of God, he finds a condition such as in 1963. Strife, turmoil, unrest are the pattern of the day.

The good news of the Gospel is that things do not have to be as they are. They can be changed by people who have been changed by the redeeming salvation available through Jesus Christ. The business of the church is to introduce men to God. Such an encounter never leaves man the same.

The church that does such work is America's greatest asset and civilization's one hope.

### Madison Lions Plan Picnic On Sept. 10

Plans for a picnic Sept. 10 at Cecil Dant's farm near Edwardsville were made at Thursday's meeting of the Madison Lions club, held at the Sportsman's Club. Dant, a charter member, will host Lions and their guests at the all-day affair.

A financial report on the July 4 celebration concession stand operated this year by Madison Amvets showed that Lions would receive about \$725. The organization alternates at operating the concession and each year divide the net proceeds.

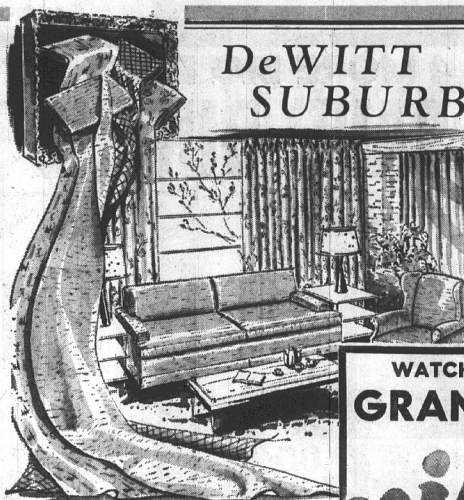

About 24 members and one guest attended the meeting, at which President Albert Love presided. A board of directors' meeting followed the regular session.

# Man Shoved Against Tavern Door, Arrested

Charges by Madison police and Johnny Lewis, operator of a tavern at 320 Madison avenue, were filed against James E. McMahon, 39, of 2336 Lincoln avenue after an incident at the tavern on Saturday. McMahon was charged with drunkenness, disorderly conduct and property destruction. He was released to appear for a hearing Aug. 25.

Lewis charged that McMahon leaned against one of five men sitting at a table in the tavern, and said that the man shoved McMahon against a door, breaking glass in the door. The five left before police arrived. Lewis said he had ejected him from the tavern twice Friday night.

# Woman's Head Bruised While Walking In Alley

A head bruise was suffered by Jewel Spencer, 52, of 806 Lee avenue, Madison, at 11:20 a.m. Saturday while walking along an alley behind Voland's tavern at Fifth and State streets.

Treated at St. Elizabeth Hospital, she told police she was walking home after visiting the tavern, and someone struck her on the head in the alley. Blood was found on a sidewalk along Fifth street.

# Right-Of-Way Charge

Betty R. Van Gundy, 2824 Warren avenue, was charged with failure to yield the right of way following an accident Friday at 6:50 p.m. She posted her driver's license as bond. Her car, eastbound on Lee avenue, and a westbound car on 22nd street driven by Mina Wofford, 2217 Dewey avenue, sustained minor damage.

# Venice Woman Reported Missing; Left By Bus

A missing person report was filed by Venice police Friday with state police on Mrs. Harold (Dorothy) Long, missing from her home at 218 Kerr street since Aug. 4. It has been learned that she traveled in a local taxicab that date to a St. Louis bus terminal.

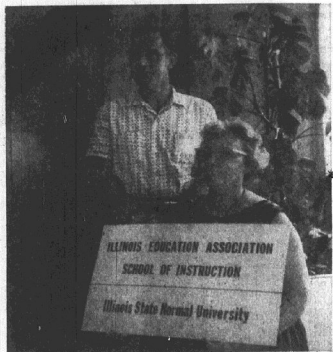

Mrs. Long is 31 years old, five inches tall, weighs 150 pounds and has brown hair and gray eyes. She was wearing a white blouse, flowered skirt and black shoes. It is believed she may be in Missouri or Arkansas.

# City Hall Lawn Project

Eight young boys from the vicinity of Madison avenue, Iowa street and Washington avenue in the 2800 and 2900 blocks removed weeds from the rose and petunia garden on the front lawn of the city hall Saturday under the supervision of Mrs. Gabrielle Bettine, Seventh Ward alderwoman. She reported a contribution Saturday from Mrs. Ella Lessman, 1221 Twenty-second street, for refreshments for the group, which meets there about twice a month.

# Vandalism In Madison

Two instances of vandalism were reported to Madison police late last week. Seven small windows were broken in large garage doors at the garage building of Ed Colligan, 1415 Fourth street, Friday night and a chrome strip was damaged on the 1961 auto of Sam George, 1008 Washington avenue, while it was parked in front of his home, he reported Thursday.

CONFERENCE DELEGATES at the annual Illinois Education Association meeting are (left to right) Miss Marguerite Barker, fourth grade teacher at Niedringhaus school, and Harold Briggs, principal of Mitchell grade school.

Ending Thursday, the four-day conference brought together 350 delegates at Illinois State Normal University, Normal, Briggs, who lives at 2833 Dale avenue, is acting president of the local association and a member of the Marquette division executive board.

Miss Barker lives at 2615 East 24th street and has been a teacher at Niedringhaus school 20 years.

The IEA, with a membership of more than 61,000, is the state's largest professional organization. Major items discussed at the conference were salary schedules, school-pupil relations, recently-enacted school legislation, teacher retirement and new instructional aids.

# Scout Camp Attendance 18% Higher This Year

Camp Sumner, summer campsite at the Cahokia Mound Council of Boy Scouts, this season saw 872 scouts and leaders, 131 or about 18% more than attended the six weeks of camp in 1960 but about 100 short of the record.

Final attendance figures announced by Council Executive Eugene Coe show 786 boys and 88 leaders attending the camp, located near Potosi, Mo., this summer. Last year, the 741 total included 639 boys and 82 adults.

The Univah or Quad-City district sent more than half of the total number of scouts to the camp. The record for a season is 970 campers.

# Fined \$100, Given 90-Day License Suspension

Bureau Tramel, 1114 Grand avenue, pleaded guilty Friday to leaving the scene of an accident and was fined \$100 plus costs and given a 90-day driver's license suspension by Police Magistrate Andrew Gasparovic Jr.

Tramel was arrested Aug. 15 following an accident in the 1700 block of State street in which a parked car belonging to David Grizzard, 2647 Highway 67, was struck. He had been released on \$100 cash bail.

# Vandalism Report

Police were unable to locate boys who reportedly were throwing garbage in the street Friday near the new Logan school on West 25th street at 9:30 p.m.

## Michaels-Green Rites In Quincy

An out of town wedding of interest here was that Saturday afternoon in Quincy, Ill., of Miss Nancy Elizabeth Green, a daughter of Mr. and Mrs. Herbert E. Green of Quincy, and John A. Michaels, whose parents are Mr. and Mrs. Glenn Michaels, 2216 Lincoln avenue, at the Episcopal Cathedral of St. John.

Rev. Chandler Crawford, rector of Trinity Episcopal church in Hannibal, Mo., officiated at the three o'clock service.

Groupings of palms were used in the sanctuary and the family pews were marked with white satin ribbons.

Miss Jeanette Green of Kansas City, Mo., was maid of honor for her sister, with another sister, Miss Sue Green, and Miss Harriet Struck as bridesmaids.

Joe Bradish was best man, and Sankie Nighossian, both of Granite City, and David Ruckler of St. Louis served as groomsmen.

Ushering were Ronald Green, a brother of the bride, Norman Huseman, Raymond Schneider, and Roy Logan of Granite City.

The bride wore a floor-length gown of white silk organza over tulle. The fitted bodice was decorated with white ribbons and a christening lace applied.

and staphenitis and an orchid made up the bridal bouquet.

The attendants wore street-length dresses of lavender silk organza over matching tulle, patterned after the bride's gown.

Delays apliques trimmed the skirts and all wore short white lace prayer veils with lavender

bows and carried colonial bouquets of pink sweetheart roses tied with lavender ribbons.

A flower girl, Maria Bond, cousin of the bride, carried a lace basket of pink roses.

The bride attended Lindenwood College for two years and was graduated from Central College in Fayette, Mo., in 1960.

She will attend Park College at Parkville, Mo., this fall. The couple will live in Parkville when they return from a wedding trip.

For her son's wedding, Mrs. Michaels wore a dress of aquamarine tulle and chiffon and a corsage of pink roses. The bride's mother was in beige lace over tulle with a red rose corsage.

# Shower Honors Mrs. Spengler

Mrs. Ronald Spengler was guest of honor at a blessed event shower Sunday afternoon at the YMCA given by Mrs. William Simpson.

Forming an unusual centerpiece on the refreshment table was a white heart-shaped Christmas tree and matching bouquet surrounded with white china cherubs flanked with chrysanthemums that were tied with shocking pink ribbon bows and held pink roses. A white nylon embossed cloth covered the table, and light was furnished by pale blue candles in white candleholders.

Miss Sylvia Spengler, Miss Nancy Park and Miss Clara Karandeff assisted in serving.

Approximately 45 attended. The gift table was decorated with blue and white. Assisting the honoree in opening the packages was her sister, Mrs. Lynn Singleton. Mrs. Spengler is the former Elaine Schuman.

**BIRTHDAY OBSERVED AT PICNIC IN PARK**

Mrs. Mary Yeviv of Granite City celebrated her 87th birthday at a family picnic Sunday afternoon at Wilson Park.

Those present were Mr. and Mrs. Sam Revak and children, Mary Ann and George, Mr. and Mrs. Mike Hycko and son, Danny, Mr. and Mrs. Louis Jankich and daughter, Judy Lou, Mrs. Ruth Telesco and son, Timmy, Mr. and Mrs. Norman Mahl and children, Becky, Karol, and Tommy, Mr. and Mrs. Arthur Bercher and daughter, John Ellyn, Mr. and Mrs. John Gages and the honoree.

**Four Speeding Charges**

Speeding charges were filed by Granite City police Saturday against Robert McClew, 2609 Prusak, 2232 Waterman avenue, James E. Bradford, 2917 Roosevelt avenue, and Joyce L. Jones, 4033 Division street. Three posted driving licenses and Mrs. Prusak left \$11 bond.

**Collide At Signal**

A collision of southbound autos at 5:40 p.m. Saturday on North Main at the Madison avenue traffic signal damaged the front of a car driven by David Ruckler, 217 Denver street and the rear of the vehicle of William Ripka, 37, 1629 Moro avenue.

Funeral arrangements are given in the obituary column.

## Local 575 Vote Halted; Resignation By Official

A scheduled vote of Boiler-makers Local 575, in which opposition to appeal of an NLRB ruling was to be voted, was quashed Saturday afternoon at the Labor Temple by regional officials of the union, it was reported by Glenn Morgan, who resigned as chairman of the local's trustees in Saturday's disagreement.

The resigned official said United Steelworkers and the City-County Trades and Labor Council will be contacted by A. O. Smith Corp. workers who oppose appealing the decision. The ruling reinstated discharged employees, whom Morgan said many of the present workers feel should be restored to their jobs.

RED CROSS BLOOD programs are held at the Granite City Engineer Depot three times a year for Quad-Cities. Emergency blood is available at any time from the regional office in St. Louis. Local donors receive one-year protection for their entire family by giving a pint of blood.

#### A United Fund Agency

## Red Cross Has 10-Fold Service Program

A short time after disaster struck the Granite City plant on Aug. 9, Mrs. Ruby Overbeck and other Red Cross workers were at the scene with coolers of ice water for workers digging at the pile of rubble.

Later in the afternoon, a Red Cross canteen arrived for a ten-hour stay with hundreds of sandwiches, coffee, rolls and lemonade. Mrs. Overbeck, the chapter executive secretary, contacted St. Elizabeth Hospital within an hour of the explosion to offer blood if it were needed.

The national offices of the company telephoned the Red Cross chapter in Granite City, Mo., and the local Red Cross chapter in St. Louis, Mo., to learn of the explosion to offer blood if it were needed.

Like many other local companies and institutions that day, Red Cross was there. What distinguishes the agency is that it makes a habit of "being there."

A United Fund agency, the local Red Cross each day performs services which mean as much to families as the coffee and sandwiches did to workers the night of Aug. 9. To servicemen, the agency is the first place to go in any emergency.

**Aid In 10 Fields**

In the Quad-Cities, Red Cross offers a ten-fold program ranging from disaster service to the mildest water safety program.

For servicemen at the Granite City Engineer Depot, the chapter provides financial, counseling and information service as a matter of course. Relief in calamities, first-aid work and training, blood program and water safety are in the related category of emergency work.

In addition the agency sponsors a Junior Red Cross program for high school students, a Travelers' Aide service and sends volunteers to the Engineer Depot as canteen, motor, staff and volunteer nurses' aides.

**Home Service**

Most of the day-to-day work of the chapter centers around aid to servicemen. Known as home service, this aid is in the form of communication between them in the armed services and their families at home.

During 1960, financial assistance was given to 118 servicemen and their families, with a total of \$8389 distributed. Emergency leaves were arranged for 95 more, and 18 men received leave extensions through the chapter's work.

All emergency leaves, extensions and "compassionate transfers" go through the Red Cross office. A compassionate transfer is the sending of a serviceman to a military base closer to his home in cases where his presence is needed.

**Certifies Information**

The chapter never approves or dispenses leaves; it verifies the need for them. Through its service — called Ancross — it is able to verify information sent to it by military authorities. If, for instance, a soldier at the Engineer Depot learned that his wife in New York was seriously ill, he would apply for an emergency leave through the agency to learn of the illness.

Mrs. Overbeck or Mrs. Mildred Meehan, the office secretary, would wire New York chapters to confirm the illness. As soon as the information was verified, the soldier would be put on leave.

Other examples are manifold. Last December, the father of a Naval officer became seriously ill and was hospitalized in Granite City. Red Cross contacted his doctor and received his recommendation that the officer, who was stationed in England, be near his father. A wire was sent to Naval authorities in England and the son was sent home the same day.

**Loans, Grants**

The military furnishes free transportation from overseas to the home, in most cases, a Red Cross loan is needed to bring the serviceman to his home. As all changes loans, repayment is planned so as not to create a hardship on the serviceman. No interest is charged and the payments usually average between \$5 and \$10 a month.

The payments are placed back in a revolving fund to make loans available to the next serviceman in need. If repaying will create a serious hardship, the loan is canceled and made into a grant.

In another case, the baby of a daughter of a soldier stationed in Texas developed a bone disease. With three other small children to care for, his wife contacted the local agency to learn about requirements for a compassionate transfer.

Mrs. Overbeck explained the procedure, and the application was approved. By the end of the month, the soldier was transferred to St. Louis.

**Disaster Relief**

The second main area of service provided by the agency is in the form of disaster relief. A disaster is defined as any misfortune which affects five or more families.

Assistance in preparing for an emergency is made available in event of flood, earthquake, fire or similar misfortunes. When necessary, Red Cross assists in

WATER SAFETY and swimming classes are taught by Red Cross instructors at four local pools, including this one at the YMCA. Mrs. Lee Pfaff is water safety chairman. The program provides instruction in scuba diving and junior and senior lifesaving, in addition to basic swimming lessons.

the bloodmobile, disaster and service vehicles through the year.

Nurses, Staff Aides

Staff aides keep accounts and do office work as well as keep records during the blood bank. Volunteer nurses conduct the blood bank and are available for call. Red Cross dates back to a 16th-century conference in Geneva, Switzerland, in 1864. The meeting laid down principles of serving humanity, including restrictions during war, under what has become known as the Treaty of Geneva. The person most influential in starting the program was Henri Dunant, a Swiss banker.

The agency takes its symbol from the sign used to denote a hospital or medical unit in time of war. Flyers are warned to avoid bombing buildings having a red cross painted on the roofs.

Mrs. Overbeck and Mrs. Meehan are the two salaried workers at the local office. Mrs. Overbeck has been in the position of executive secretary for two and a half years. Earlier, she was office secretary for seven years. Approximately 85% of the local agency's budget is received from the United Fund. For this year, the budget was \$28,788, with the USF supplying \$25,810 and the remainder coming from a reserve from 1960.

For 1962, the budget total stands at \$29,493, with the pre-campaign UP allocation set at \$26,779, or an increase of 3.7% over this year.

#### State Tax Seminar Planned In October

A state tax seminar for Quad-City business and professional firms will be held Thursday, Oct. 12, it was announced today.

Paul H. Lichtenberger of the Tri-Cities Chamber of Commerce and Maurice Rich of the Associated Retailers, presidents of the two sponsoring groups, said the meeting will be with members of the State Department of Revenue and will concern new tax legislation.

The recent session of the Illinois legislature passed 76 bills involving revenue changes, said. Some are amendments to present laws; others are new statutes. The seminar is designed to clarify the new tax codes and simplify tax filing.

Among the topics will be the new changes in the withholding of sales taxes, and new tax arrangements. Albert R. Imble, assistant director of the revenue department.

**Oldtimers Spend Day At Fair In Springfield**

A bus load of about 50 "oldtimers" departed Friday for Quad-City business and professional firms will be held Thursday, Oct. 12, it was announced today.

#### Depot Blood Service

Three times a year, the agency holds blood programs at the Engineer Depot. Although the chapter does not have a blood program in this area as yet, St. Elizabeth Hospital accepts blood on a replacement basis. If a person has a card stating he is protected, his immediate family is protected for that year. In 1960, more than 400 pints of blood were donated.

The local agency also serves as a "Travelers' Aide representative." Its wire service makes transmission of information easier than through public lines.

Volunteers form five support services for work at the Depot or wherever they may be called. Ladies of the Canteen work in the kitchen and are ready to prepare meals on a moment's notice for disaster victims. Motor aide ladies drive the bloodmobile, disaster and service vehicles through the year.

#### County Sales Tax Revenue Up 14% In May

Madison county sales tax revenue was up 14% in May over April, the Illinois Department of Revenue announced today.

With \$12,852 collected for May, the total revenue received since the half-cent tax went into effect here Oct. 1, 1959, amounts to \$251,131.

For April, the figure was \$11,185. The total for the first five months of 1961 is \$50,959. In May 1960, taxes amounted to \$10,856.

Of the revenue collected, 60% has been slated for construction of a county juvenile detention home and 40% for remodeling of the courthouse and jail. Next year, however, the money may be transferred to general county funds to help balance an expected deficit — one which could go as high as \$750,000.

Gross income from the half-cent tax for May was \$13,672, of which the revenue department retained 6% or \$820 for administrative costs of handling the tax and distributing it to counties.

#### Home From Hospital

Mrs. Pearl Thomas returned to her home at 1940 Benton street Thursday after spending 11 days at the Missouri Baptist Hospital, St. Louis, where she underwent treatment. She is recovering satisfactorily.

## Adopt Nameki Road Budget Of \$53,585

A Nameki township road budget for 1961-62 of \$53,585 was adopted at a hearing Tuesday in the relief office. The action was taken by Highway Commissioner Charles Hanks.

The figure is \$2615 lower than last year, due mainly to a reduction of \$10,000 under road rating, and a smaller levy this year for construction of bridges on an equal share basis with the county.

The levy this year of \$47,085, up \$1885, includes an additional \$6500 figure for the township's share of bridge expenses. This includes a bridge at State Route 162, the township road at Elm Street and repairs to the Black Lane bridge.

The commissioner received approval from the board of supervisors to levy a greater rate of taxation for road purposes than 12 1/2 cents per \$100 valuation. He was granted authority to levy an additional four cents for a total rate of 16 1/2.

At the semi-annual meeting Sept. 1, auditors will examine last year's books.

A breakdown of the road and bridge fund budget, prepared by Town Attorney Nick Vasiloff, follows:

Construction of roads—none; construction of bridges—none; road maintenance—\$21,000, up \$2500; bridge maintenance—none; down \$2000; road rating—\$9400, down \$1000; purchase of machinery—\$7000, up \$700; machinery repairs—\$3500, up \$2500; mosquito control—none, down \$800; building maintenance—\$300, up \$300; administration—\$4885, up \$1185; provision for contingencies—\$1000, up \$1000.

VENICE ROYAL COURT is pictured following coronation of Miss Venice of 1961 Friday evening at Lee Park. Shown (left to right) are Miss Gene Hackney, second attendant; Cindy Guffy, trainbearer; Miss Virginia Foley, winner of the annual beauty pageant; Steve Grimes, trainbearer; and Miss Alma Dennis, first attendant.

## Virginia Foley Is Crowned As Miss Venice

Climaxing an hour-long pageant in Venice's Lee Park Friday night, Miss Virginia Foley, 17, daughter of Mr. and Mrs. Richard Foley, 447 Lincoln avenue, was crowned "Miss Venice of 1961."

Wearing a petal pink organza gown, Miss Foley ascended the throne at the arm of Dr. John E. Lee, Venice mayor, and received the crown from Miss Jane DuBoise, last year's winner and reigning queen. A crowd estimated at more than 500 witnessed the contest, which opened the 14th annual Venice homecoming.

Miss Alma Dennis, 15, of 127 Hampton street, was named first attendant, and second attendant was Miss Gene Hackney, 17, of 120 Hampton street. The three were chosen from seven entrants.

Miss Foley wore white elbow length gloves and crystal necklace and earrings. Her strapless gown was embroidered with tiny green leaves, with a large pink taffeta bow in back. She has chestnut brown hair and

blue eyes, is five feet, two inches tall, and weighs 116 pounds.

Judges for the event were Miss Barry Jo Wood, recently named "Miss Granite City," president of the Illinois Federation of Junior Service Clubs; Donald Abeln, Overland, Mo.; A. McDonald, Aircraft Corp. official; and Wilbur Trimpe, Madison county school superintendent.

The new Miss Venice is one of seven children, and had her own personal following in the audience. She received a \$50 savings bond, a \$70 gift certificate and a rhinestone pendant.

Miss Dennis won a \$25 savings bond, and Miss Hackney won a \$10 cash. All three entrants received bracelets from the Venice Junior Service Club, sponsors of the 14th annual homecoming.

The competition was held on an elaborately decorated stage

at the south end of Lee Park, the girls appearing before the audience in front of a glittering purple backdrop. The judges and an orchestra providing special music for the occasion were seated immediately in front and to the right of the stage.

City Clerk William M. Eberstadt was a master-of-ceremonies for the program, with help from Mrs. Mary Donna Seatturo, who described each girl's gown as she made her appearance on stage.

The reigning queen, Miss DuBoise, was escorted by Mike Sparks, and Cindy Guffy and Steve Grimes were trainbearers.

Miss Dennis, who has red hair and blue eyes, was attired in a full-length mint green strapless gown, with a single strand crystal necklace and elbow-length white gloves. The second attendant, Miss Hackney, wore a gown of white lace with rhinestones and pink gloves. She has brown hair and brown eyes.

The "Miss Venice" competition highlighted the opening night of the 1961 Venice homecoming, which continued in Lee Park through last night.

other side of the building to the second floor. I didn't see Grote until I was outside. I don't know where the other men were at the time."

"To my knowledge, there was never any danger of explosion before," Hoffman added.

Grote, also a maintenance man and seven-year worker at the plant, said he saw Hoffman and a Grote man coming to add to Hoffman's testimony.

"I heard no noise other than the regular workers' noise before it collapsed. I wasn't inside the building. There was a doorway there and I saw Hoffman going over the concrete and an O'Connell fell and blocked the doorway. I jumped over the side."

According to Hoffman, the second floor room in which he and Grote were working was about 30 x 30 feet in size. The first floor contained a chilled water system and blow-down valves for the percolators. Liquid tanks and a separator were housed on the second floor.

"The third floor is where the percolators are filled and where the storage bin and other equipment are kept. I don't know what the machinery up there is used for."

**Instant Coffee Process**  
"We filled the cells with coffee on the third floor, and then held hot water pressure on them. The liquid is drawn off and instant coffee is made. The highest pressure is 175 pounds per square inch. No others are under pressure."

The third witness called was Granite City Police Detective Kenneth J. Watts, 3148 Davis avenue.

Watts said he was called to the scene of the explosion at about 2 p.m. and stayed most of the time until the victims were uncovered at about 3:30 a.m. the next day. He helped identify the two victims, he said.

ship and C. W. Hirsch of Helvetia township.

William B. Webb Jr. of Granite City, who was on vacation in July, would vote "No" to longer hours. Claude Echols of Venice township and William Bryant of Wood River have expressed themselves in favor of uniform tavern closing hours.

Those who opposed the hours extension last month were Stephen B. Kennedy, Joseph Walker and Alton May, all of Alton, and Orville Oglesby of Wood River. Robert Gaughan of Granite City was among those absent.

## \$3000 Fire Loss At House, \$600 Laundromat Blaze

Fire resulting from a cigarette caused \$3000 damage at 4 a.m. Sunday at the home of Freeman Thompson, 2222 Bryan avenue. Firemen estimate the loss at \$2500 to the two-story frame building and \$500 to its contents.

Thompson, who escaped, escaped through an upstairs back window after being awakened by the flames and smoke, firemen related. The house is owned by Fred Thompson.

The cigarette set fire to an overstuffed chair, which in turn caused a fire on the front porch. The blaze then spread from the porch to the front of the building. Two trucks answered the alarm, and the department remained at the scene until 6 a.m.

Firemen also were summoned at 2:20 p.m. Saturday, when a fire of undetermined origin caused \$600 damage to equipment in the boiler room of an automatic laundry at 2720 Namond road.

Illinois Power Co. crewmen cut lines near the building at the request of the fire department. Clyde Metz is owner of the laundromat.

### No New Developments In McGovern Shooting

County authorities are still awaiting identification of fingerprints obtained in the End of the Line building, site of the robbery-shooting of Thomas E. McGovern, 49, Granite City, on Aug. 8. Deputy Sheriff Bill Thompson said all the prints obtained were sent to the state police criminal laboratory. Two youths whom McGovern said he could not identify reportedly shot him four times with a .22-caliber pistol and took \$500 from his pockets.

McGovern is at St. Mary's Hospital, East St. Louis, where he is doing well. Originally, his condition was described as serious.

Two women who were with McGovern when the incident occurred first gave police a false account of the shooting. They said two or three men ambushed their car on Highway 67a, shot and robbed him there. Later, they gave police an account which coincided with McGovern's own bedside story.

**Window Peeping Report**  
Boys were reported to be peering into windows in the 2300 block of East 23rd street Thursday night. Police investigating the report were unable to locate them.
